

**CD PLAYERS.** Cell phones. In 'N' Out burgers. Somebody got a spare hand for the steering wheel?

Don't be driven to distraction. Safe driving requires your attention and patience, even if you're just traveling a few blocks from home to school.

## STEER CLEAR

- Save the tailgating for outside Mustang Stadium. Fender benders are caused by drivers traveling too close to the car in front of them.
- Gunning the accelerator from stop sign to stop sign isn't just dangerous, it costs you gas money. SLOW DOWN.
- Pay attention to driving all the time.
