PUBLIC WORKS DEPARTMENT  
CONSTRUCTION PROJECT UPDATE PRESS RELEASE  
**Orcutt Road Widening**

In an ongoing effort to inform the community how Measure Y resources are being used, below is information regarding a construction project happening within the City of San Luis Obispo. Measure Y is the ½-cent sales tax measure, which was adopted in November 2006 by 65% of City voters, to support major improvements within the community.

This project directly relates to one of the twelve Major City Goals, adopted as part of the City's 2007-09 Financial Plan. The project will improve City infrastructure; however, it does have the potential to cause some traffic congestion or inconvenience to the public. The City hopes you will take the opportunity to provide this information to the public to assist them in planning their travels and to inform the on the progress of the Measure Y expenditures. Thank you.
