

BIKES ARE BACK!

○ Whether it's to save money, get exercise, support sustainability, or simply rediscover the fun of being on two wheels, lots of people are getting back on the saddle. With confidence, bicycling is a safe and enjoyable way to travel. Join the movement!

○ **You have a legal right to be on the road & we'll give you the tools to make it easy.** Our workshops teach traffic psychology and techniques that will empower you on the road.

○ Register online for our workshops, they're open to everyone for **FREE!**

**WE HAVE A VARIETY OF WORKSHOPS
FOR A VARIETY OF BICYCLISTS:**

WORKSHOPS

"After completing the workshop, I am more aware of potential safety hazards on the road, and I feel confident when bicycling around town and to work. It's well worth your time, whether you are new to cycling or a seasoned rider."

-Rachel Grossman, SLO resident

STREET SKILLS

For basic techniques to ride smart, to know your rights on a bike, and then hit the road to practice your new skills, check out our Street Skills workshops.

BROWN BAG

Is your business or group looking for a personal seminar about riding bikes? Then our brown bag seminar would be perfect for you.
