have successfully completed the City of San Luis Obispo's 2-Hour **Food Service Industry Stormwater Management Training Program**. The program outlined the ideal Best Management Practices to be employed during routine food service activities conducted within the City of San Luis Obispo. Best Management Practices ("BMPs") refers to devices, operational activities, or physical controls (i.e. **Control Measures**) that are applied to **prevent, control, or reduce the discharge of pollutants to storm drain inlets, drainage swales, and waterways.**

Date of Recognition: February 10th &/or 12th 2009

Certificate Expires On: February 12th, 2011
